ANAEIBUO JESSE CHIDERA

FRONT-END WEB DEVELOPER

Nigeria | Phone: 09162575222 | Email: bossjesse588@gamil.com

PROFESSIONAL SUMMARY

Motivated and detail-oriented Front-End Web Developer with hands-on knowledge of HTML, CSS, JavaScript, and React. Skilled in building responsive, user-friendly web interfaces with clean structure, modern styling, interactive components, and smooth animations. Passionate about learning, solving problems, and turning ideas into polished digital experiences. Currently developing practical projects and building a professional portfolio while pursuing university studies.

TECHNICAL SKILLS

Frontend	HTML5, CSS3, JavaScript (ES6+), React, Responsive Web Design
UI / UX	Modern layouts, mobile-first design, animations, hover effects, accessibility basics
Web Development	Interactive components, image sliders, navigation menus, forms, reusable UI
Tools	Git/GitHub, VS Code, Chrome DevTools, basic deployment workflows
Professional	Problem solving, attention to detail, communication, teamwork, continuous learning

SELECTED PROJECTS

Responsive Developer Portfolio

- Designed and developed a professional portfolio website focused on responsive layouts, clear presentation of skills, project showcases, and smooth visual interactions.

Team Portfolio Website

- Created a concept for a multi-member web development team featuring a responsive team slider, project gallery, contact section, mobile navigation, keyboard-friendly controls, and animated UI elements.

Interactive Front-End Components

- Built and practiced reusable interface features including image sliders, hamburger menus, interactive buttons, forms, hover states, and responsive page sections using HTML, CSS, and JavaScript.

EDUCATION

University Student

Currently pursuing university-level studies. Developing professional and technical skills alongside coursework and independent web development projects.

CAREER OBJECTIVE

Seeking an entry-level, internship, junior, freelance, or remote web development opportunity where I can contribute my frontend skills, gain professional experience, learn from experienced developers, and continue growing as a software professional.

ADDITIONAL INFORMATION

Availability: Open to suitable internship, junior, freelance, and remote opportunities. Work samples can be provided upon request.
